

Kapitel Ventilblöcke

Chapter Manifolds

Inhaltsverzeichnis nach Schaltbildern / Index according to the Schematics

Spezielle Ventilblöcke z.B. für Rosemount 3051 Transmitter und Ventilblöcke zur Schutzkastenbodenmontage finden Sie im nächsten Kapitel
 Special manifolds e.g. Rosemount 3051 Transmitter and manifolds for direct baseplate mounting in instrument boxes you will find in the next chapter

Beschreibung description	Körper- nummer body number	Seite page	Beschreibung description	Typ type	Seite page
 <p>1-fach Ventilblock 1 valve manifold</p>	10	V1-V2	 <p>3-fach Ventilblock anflanschbar Betätigung: - Steckschlüssel - Handräder 3 valve manifold flangeable Operation: - T-bar key - handwheel</p>	35	V13-V14
 <p>2-fach Ventilblock verrohrbar 2 valve manifold</p>	21	V3-V4	 <p>3-fach Ventilblock anflanschbar mit Test oder Prüfanschlüssen Betätigung: - Steckschlüssel - Handräder 3 valve manifold flangeable with blow out or proove connections Operation: - T-bar key - handwheel</p>	36	V15-V16
 <p>2-fach Ventilblock anflanschbar Betätigung: - Steckschlüssel - Handräder 2 valve manifold flangeable Operation: - T-bar key - handwheel:</p>	22	V5-V6	 <p>5-fach Ventilblock verrohrbar Betätigung: Steckschlüssel 5 valve manifold for remote mounting Operation: T-bar key</p>	51	V17-V18
 <p>3-fach Ventilblock bds verrohrbar Betätigung: - Steckschlüssel 3 valve manifold both side pipe-connection Operation: - T-bar key:</p>	30	V7-V8	 <p>5-fach Ventilblock anflanschbar Betätigung: Steckschlüssel 5 valve manifold flangeable Operation: T-bar key</p>	58	V19-V20
 <p>2-fach Ventilblock mit drei Absperrungen Betätigung: Handräder 2 way manifold with three valves Operation: Handwheel</p>	31	V9-V10	 <p>5-fach Ventilblock-Kombination anflanschbar Betätigung: Steckschlüssel 5 valve manifold-combination flangeable Operation: T-bar key</p>	73	V21-V22
 <p>3-fach Ventilblock bds verrohrbar mit Ausblas oder Prüfanschlüssen Bestätigung: - Steckschlüssel - Handräder 3 valve manifold both side pipe-connection with blow-out or test connections Operation: - T-bar key - handwheel</p>	33	V11-V12	 <p>5-fach Ventilblock-Kombination anflanschbar mit Testanschlüssen Betätigung: Steckschlüssel 5 valve manifold-combination flangeable with test connections Operation: T-bar key</p>	75	V23-V24
